RISHABH KASHYAP

B.Tech CSE (AI & ML) Student | Web Developer & AI/ML Enthusiast

rishabhh091@gmail.com | LinkedIn | GitHub

PROFILE

Second-year B.Tech CSE (AI & ML) student at COER University, Roorkee, with hands-on experience building web applications and Python-based machine learning projects. Eager to apply skills in web development and data science to real-world problems and to grow through internships and development opportunities.

EDUCATION

B.Tech in Computer Science & Engineering (AI & ML) **2025 – 2029**

COER University, Roorkee | Currently in 2nd year

Class XII (Intermediate) – CBSE, PCM Stream **2024 – 2025**

Maa Saraswati Public Senior Secondary School, Bahadrabad

Class X (High School) – CBSE **2022 – 2023**

Maa Saraswati Public Senior Secondary School, Bahadrabad

PROJECTS

Smart Face Attendance System

Tech: Python, OpenCV, Pandas, NumPy

- Built a facial-recognition system that identifies students through a camera feed.
- Automatically logs attendance with date and time into an Excel file, reducing manual work and errors.

Student Attendance Tracking System

Tech: HTML, CSS, JavaScript

- Developed a web tool that calculates how many classes a student must attend to reach 75% attendance.
- Also shows how many classes can be missed while staying at or above the 75% threshold.

Movie Recommendation System

Tech: Python, Pandas, Scikit-learn

- Built a recommendation application that suggests movies based on user preferences and viewing history.

TECHNICAL SKILLS

Languages: Python, C++, JavaScript, HTML, CSS

Libraries / Frameworks: React, NumPy, Pandas, OpenCV, Scikit-learn

Tools: Git & GitHub, VS Code

Areas of Interest: Web Development, Data Science, Machine Learning
